

Evaluation of School Board Operational Procedures

Annually the Board will plan for and carry through an appraisal of its functioning as a board. This appraisal may be based on a broad realm of relationships and activities or may be focused on a particular activity or area.

The appraisal plan will be developed by the Board chairperson and an adhoc board committee appointed by the chairperson, working with the superintendent. Such instruments may be used as the committee considers desirable. Upon Board approval, an outside consultant may develop and lead the appraisal session or sessions.
