Field Trips and Excursions (In State)

Field trips and other student activities involving travel may be authorized when such trips or activities contribute substantially to the achievement of desirable educational goals. In planning and authorizing such trips, primary consideration shall be given to the educational values to be derived and the safety and welfare of the students involved.

All field trips organized by a Medford School District staff member that includes Medford School District students must be approved by the school principal or administrator designee. This includes field trips that are advertised to Medford School District students utilizing a variety of internal communication modalities (e.g., bulletin boards, email, newsletters, staff meetings, class meetings, parent meetings, newsletters) and/or emanate from the school program as an extension of the curricular, co-curricular program or special interest clubs.
