News Media Services at Board Meetings

The Board of Education believes that one of the paramount responsibilities of the Board of Education is to keep the public informed of its policies, deliberations, actions, and problems. Therefore, the Board of Education encourages the attendance of news media representatives at all meetings. News coverage of executive sessions shall be as limited by law.

A copy of the agenda and appropriate agenda materials shall be sent in advance to members of the working media who request it.

In the event that representatives of the news media are unable to attend the meeting, they may be provided, upon request, a summary of important board of education actions, including recorded audio and video excerpts.
