Boundary Board

The Multnomah Education Service District Board is responsible under Oregon Revised Statutes to act as the district Boundary Board for the school districts in Multnomah County. The Boundary Board shall meet to act upon all requests for Boundary changes or merger filed with the Boundary Board by district school Boards, electors or Boundary Boards of adjacent counties.

The Boundary Board shall clearly separate its actions as a Boundary Board from those as an education service district, including the calling and notification of meetings, setting of agendas and the recording of minutes.

The Superintendent shall serve as the secretary to the Boundary Board and shall develop and maintain accurate and current legal descriptions of the boundaries of all component districts. The superintendent or designee shall provide assistance, as appropriate, to the petitioners and the affected component districts involved in proposed mergers or changes in an attempt to deal with the proposed merger or change as effectively as possible. This includes assisting persons desiring the change in the development of a request to the component district Boards or the development of a petition as required by law.

The Boundary Board shall complete all action on a petition for a Boundary change or merger within 100 days of the date of receipt. If asked to ratify action of another Boundary Board, this Board shall complete such action within 160 days of the original petition. An extension may be requested as provided in ORS 330.107.

The Superintendent shall establish administrative regulations which provide procedures to comply with this policy and Oregon Revised Statutes.
