Employee and Visitor Identification Badges

To help ensure the protection of persons in MESD facilities and reduce the possibilities of theft, vandalism and loss of MESD property, all MESD employees shall be issued and wear photo-identification badges when on MESD premises.

The identification badge will also enable parents and other persons who visit MESD facilities to identify MESD employees.

A badge with appropriate designation, but without a photograph, shall be provided to parents and other persons who visit MESD facilities during regular business hours; and to substitute and temporary employees when on MESD premises.

The superintendent and cabinet shall develop administrative regulations as necessary to implement this policy.
