Code: **EDE**
Adopted: 1/21/97
Amended: 6/21/11
Reviewed:

Acceptable Use of Electronic Network Services

The MESD electronic network is intended to facilitate the exchange of information in furtherance of education and research by students and staff of MESD and its component districts and service contracts with MESD.

Network services are not intended for private use, and a person has no right to or expectation of privacy in using the services. MESD has the right to inspect and monitor all use of network services. Persons are required to use network services consistent with applicable laws, regulations, MESD Board policies and administrative regulations.

Use of the network services for a prohibited purpose or inconsistent with MESD policy or regulations is a ground for termination of the privilege to use the services, and such a user may also be subject to discipline, up to and including termination.

The superintendent and cabinet will develop administrative regulations for the use of the MESD network.
