Facilities Development Goals

To provide and maintain facilities that offer the best possible physical environment for learning and working, the Board aims specifically toward:

1. Providing buildings and renovations which accommodate and facilitate organizational and instructional patterns that support MESD's philosophy and goals;
2. Meeting all safety and code requirements;
3. Meet state and federal requirements regarding accessibility and usability of facilities to persons with disabilities;
4. Design, construction and renovation to minimize maintenance costs and conserve energy.
