

Staff Development – Professional Licensed

All MESD professionally licensed teachers, specialists and administrators contracted by the MESD, excluding substitutes, shall maintain an active Continuing Professional Development (CPD) plan for meeting the requirements set forth in OAR Chapter 584, Division 090 by the Teacher Standards and Practices Commission (TSPC) and the MESD's CPD program requirements, in accordance with the procedures provided below.

1. The principal or supervisor will ensure the employee's proposed plan meets MESD CPD program requirements, as approved by the Board.
2. Modifications to the employee's plan may be made at any time, after meeting with and approval by his/her supervisor.
 - a. Each employee plan, under the MESD's qualified CPD program, will be designed to assist the educator to:
 - (1) Achieve MESD, state and national standards;
 - (2) Keep current with the development and use of best practices; and
 - (3) Develop ways to enhance learning for a diverse student body.
 - b. Each licensed teacher's plan will identify CPD activities and experiences that address one or more of the following standards for professional learning:
 - (1) Learner and Learning
 - (a) Learner development;
 - (b) Learning differences;
 - (c) Learning environments.
 - (2) Content
 - (a) Content knowledge;
 - (b) Application of content.

 - (b) Planning for instruction;
 - (c) Instructional strategies.

- (4) Professional Responsibility
- (a) Professional learning and ethical practice;
 - (b) Leadership and collaboration.
- (5) Each licensed teacher’s plan shall identify CPD activities and experiences that address one or more of the following standards for professional learning:
- (a) Learning Communities

Professional learning that increases educator effectiveness and results for all students; and occurs within learning communities committed to continuous improvement, collective responsibility and goal alignment;
 - (b) Leadership

Professional learning that increases educator effectiveness and results for all students; requires skillful leaders who develop capacity; advocate; and create support systems for professional learning;
 - (c) Resources

Professional learning that increases educator effectiveness and results for all students; requires prioritizing, monitoring and coordinating resources for educator learning;
 - (d) Data

Professional learning that increases educator effectiveness and results for all students; uses a variety of sources and types of student, educator and system data to plan, assess and evaluate professional learning;
 - (e) Learning Design

Professional learning that increases educator effectiveness and results for all students; integrates theories, research and models of human learning to achieve its intended outcomes;
 - (f) Implementation

Professional learning that increases educator effectiveness and results for all students; applies research on change and sustains support for implementation of professional learning for long term change;
 - (g) Outcomes

Professional learning that increases educator effectiveness and results for all students; aligns its outcomes with educator performance and student curriculum standards.

- c. Each plan will also include the following:
 - (1) Identified goals/objectives to be achieved through the CPD plan;
 - (2) Proposed activities and experiences to meet the goals;
 - (3) List of completed activities, related domain and number of professional development units of credit earned;
 - (4) Employee's reflection on the completed plan and its relationship to student learning and modifications of the employee's performance;
 - (5) Resources that will be used to complete the plan;
 - (6) Signature of supervisor indicating review and approval of the proposed plan and verification of plan completion.
 - d. Plans may include course work leading to an advanced degree(s) or credit towards advancement on the salary schedule when consistent with objectives of the MESD qualified CPD program and applicable provisions of the employee's collective bargaining agreement.
 - e. Tuition reimbursement may be provided as approved in advance to meet MESD qualified CPD program requirements and applicable provisions of the employee's collective bargaining agreement.
3. The employee's plan will be proposed and reviewed annually according to the following dates:
- a. Teachers/Counselors/Specialists such as: Occupational Therapists, Speech Pathologists, Registered Nurses, Psychologists and Physical Therapists
 - (1) Plan developed in September-October;
 - (2) Plan reviewed, approved and revised as needed;
 - (3) Plan updated, activities documented prior to March 1;
 - (4) Plan completed as scheduled and submitted to the Superintendent or designee for review and verification of meeting MESD CPD requirements in September-October;
 - (5) New plan developed at time of finalization of the previous plan under number (4) above and after verification that the employee has met his/her MESD CPD requirements.
 - b. Building/Program Administrators
 - (1) Plan developed in August;
 - (2) Plan reviewed, approved and revised as needed;
 - (3) Plan updated, activities documented prior to March 1;
 - (4) Plan completed as scheduled and submitted to the Superintendent or designee for review and verification of meeting MESD CPD requirements in August;
 - (5) New plan developed at time of finalization of previous plan under number (4) above and after verification that the employee has met his/her MESD CPD requirements.
 - c. Central Office Administrators, including the Superintendent
 - (1) Plan developed in March;
 - (2) Plan reviewed, approved and revised as needed;
 - (3) Plan updated, activities documented prior to January;
 - (4) Plan completed as scheduled and submitted to the superintendent or designee or Board as applicable for review and verification of meeting MESD CPD requirements in March;

- (5) New plan developed at time of finalization of the previous plan under 4. above and after verification that the employee has met his/her MESD CPD requirements.
4. The number of CPD units of credit taken per year to meet MESD CPD program requirements may be determined by the MESD.
5. The MESD will attempt to offer as many professional growth activities as recognized needs warrant and resources permit.
6. Plans may be developed that totally utilize MESD professional growth activities and some outside MESD activities, or are totally completed in non-MESD sponsored activities. All such plans will be proposed to the employee's supervisor for review and approval.
7. The responsibility for completing a plan and meeting licensure renewal requirements rests with the employee. An employee utilizing the MESD's CPD program to meet licensure renewal requirements will provide documentation that the plan has been completed and he/she has analyzed the results and applied the acquired knowledge and skills to improve student learning.

The MESD may assist such efforts in the following ways:

- a. Provide a copy of the Board's CPD policy, regulation, CPD handbook and/or other related materials which meet Teacher Standards and Practices Commission (TSPC) requirements;
 - b. Provide an annual process for completing a portion of the license renewal requirements;
 - c. Upon the employee's request, provide a site system for record keeping in which the supervisor retains the plan and, where practical, may assist in certain record-keeping activities;
 - d. Incorporate plan development and review into an annual goal-setting cycle;
 - e. When possible, conduct applicable group meetings/conferences to assist in meeting the requirements.
8. Acceptable CPD activities for meeting MESD CPD program requirements will be those reviewed and approved by the employee's supervisor and for which evidence is submitted to verify completion.
 9. Licensed individuals transferring to the MESD from other ESDs, including those educators hired without previous ESD experience, will submit any Professional Development Units (PDU) of credit earned to their supervisor for review. Such credits may be used to meet individual requirements under the MESD's CPD program, as approved by the Superintendent or designee.
 10. Completed CPD forms will be filed in the employee's personnel file.
 11. The Superintendent or designee will verify completion of the required plan(s) and units for license renewal at the time the employee requests MESD verification of educational experience on the TSPC-provided Professional Educational Experience Report (PEER) form.
