## **Staff Development – Nonlicensed**

### **Mandatory Training**

State and federal regulations require certain annual mandatory training and re-certifications for specific job duties and programs. These include but are not limited to:

#### **Required by All Employees**

1. Mandatory Child Abuse/Neglect Reporting
2. Sexual Conduct
3. Sexual Harassment
4. Bullying
5. Workplace Violence

#### **Job Specific Trainings**

1. Bloodborne Pathogen Training (BBP)
2. Oregon Intervention Systems (OIS)
3. Crisis Prevention Intervention (CPI)
4. Medication Administration for School Staff

**Other trainings and certifications may be required, but not limited to the above.**

Staff will be provided paid time and resources to complete these mandated trainings. Failure to comply within established timeframes will result in disciplinary action.
