Use of Feature Films/Videos in the School**

Prior to showing a feature film/video in a school, the instructor must seek the written approval of the building principal if rated PG or PG-13. At least five days prior to the showing, the instructor shall submit to the principal (in writing) the following information on the particular film:

1. Title and brief description;
2. Purpose for the showing;
3. Match with course objectives;
4. Proposed date of showing;
5. When and how parents will be notified, or if necessary grant consent;
6. Audience rating.

For feature films/videos with a PG or PG-13 rating, prior parental consent will be required before a student views the film.

Instructors are required to preview all film media before showing to students.

Only films/videos rated G, PG or PG-13 may be shown as part of the school program. A parent may have the opportunity to preview a film when practicably possible and that parent must give prior consent before his/her child may view a film rated PG or PG-13.

Edited or unrated films/videos will be shown at the discretion of the building administrator.
