

# Multnomah Education Service District

Code: **IMA**  
Adopted: 5/18/10

## Review of Component District Operations

The Board shall ensure development of a program of periodic review of component school district operations. In so doing, MESD staff shall work cooperatively with component school districts in the review process.

The component school district operations to be reviewed shall include accounting, payroll and printing; student transportation; legal services, investments and auditing; insurance, student records management and any other operations as agreed upon. Such review shall meet the timelines established by the State Board of Education. MESD and its component school districts may review such operations and services at any other time, as may be mutually agreed, however at least one review of operations per year shall be conducted.

The superintendent shall submit plans to component school districts with recommendations for program economies and efficiencies as may be identified.

The results of the review and plans shall be summarized and reported to the State Board of Education as part of MESD's annual report no later than June 30 of each year.

The superintendent shall develop administrative regulations needed to implement this policy including a description of how the MESD worked cooperatively with component districts to review their operations.
