Immunization of Students**

No student will be allowed to enroll or continue MESD attendance without first presenting evidence of compliance with Oregon Revised Statutes and Oregon Administrative Rules requiring immunization and tuberculosis status.

The Superintendent or designee is authorized to exclude any student from MESD attendance for non-compliance with the statutes and rules. The Superintendent or designee will notify the parent, guardian or person in a parental relationship in writing of the reason for the exclusion, stating that the student will continue to be excluded until the student has complied with the requirements. The notice will also inform the parent, guardian or person in a parental relationship that a hearing will be afforded upon request.

The policy is in effect for all students not exempted from immunizations for religious or medical reasons.
