Student Recognition, Awards and Honors

The Board encourages the professional staff to maintain a set of criteria and procedures for presenting suitable awards to students for scholarship and distinguished service in school activity. In all cases, the relationship between the award and the relevant goal or goals of MESD should be pointed out.

The professional staff is authorized to review, approve or reject proposed trophies, prizes, scholarships or other awards from non-MESD donors. Acceptance shall require affirmative answers to the following questions:

1. Can the proposed award be considered free from motives of personal or corporate gain and publicity?
2. Are the criteria for making the award under the control of the professional staff or acceptable to the staff?
3. Are the purposes, either implied or explicit, of the proposed award consistent with the goals?
