Code: **LGA**  
Adopted: 9/20/94

## Compliance with Standards\*\*

The Board recognizes the need to comply with the educational standards as outlined by the State Board of Education.

It is also recognized that a district may petition the State Superintendent of Public Instruction for a waiver of a specific standard. A petition shall specify the reason(s) MESD is seeking the waiver and other relevant information. If it is determined the request conforms with the intent of the standards, the state Superintendent shall recommend the waiver to the State Board. Requirements in Oregon Revised Statutes may not be waived.

MESD will maintain a record of any waivers which have been requested by MESD and approved by the State Board of Education.

Procedures shall be developed whereby residents in the MESD boundaries or any parent of students attending school in MESD may make an appeal or complaint alleging violation of standard. MESD shall also include a procedure for direct appeal to the State Superintendent of Public Instruction of an alleged standards violation.
