

District Goals

The goal of the district is to work cooperatively to support the physical and cognitive growth for developing each child into an adult who is confident, participates fully, learns continually and contributes meaningfully to our world and encourages the attainment of individual goals. The district will maintain a coordinated K-12 program that supports the academic growth beyond proficiency in students becoming proficient in the knowledge and skills of the student's current grade level.

The following practices contribute to achieving this goal:

The district will develop a partnership with staff, parents and community members through 21st Century Schools Councils, local school committees and advisory committees to identify and revise goals consistent with the goals adopted by the State Board of Education.

To successfully prepare students to function effectively in a rapidly changing world and for the futures they choose to pursue, goals adopted by the district will:

1. Ensure that all students, regardless of linguistic background, culture, race, color, religion, sex, sexual orientation, national origin, marital status, age, disability or geographic location, have access to a quality education in a safe, motivating environment;
2. Hold all students to rigorous academic standards and expect them to succeed;
3. Provide students with opportunities to demonstrate their achievement in knowledge and skills;
4. Encourage parental and community involvement in their student's education;
5. Develop in students lifelong academic skills to prepare them for an ever changing world;
6. Develop in students the core ethical values that our diverse society shares and holds important, including but not limited to, respect, responsibility, caring, trustworthiness, justice and fairness and civic virtue and citizenship;
7. Equip students with the knowledge and skills necessary to pursue the future of their choice and to prepare students to function effectively in various life roles; and

8. Utilizes valid and reliable data for evaluating the success of curriculum, instruction, resource allocation and school improvement.
