

## **Public Comment at Board Meetings**

All Board meetings, with the exception of the executive session portion of the meeting, will be open to the public. The Board invites district community members to attend Board meetings to become acquainted with the program and operation of the district. Members of the public also are encouraged to share their ideas and opinions with the Board when appropriate.

### **Audience**

During a session of a Board meeting open to the public, members of the public may be invited to present comments during the designated portion of the agenda. At the discretion of the Board chair, further public comment may be allowed.

### **Request for an Item on the Agenda**

A member of the public may request the superintendent to consider placing an item on the agenda of a regular Board meeting. This request should be made in writing and presented to the superintendent for consideration at least five working days prior to the scheduled meeting.

### **Procedures for Public Comment at Meetings**

The Board will establish procedures for public comment in open meetings. The purpose of these procedures will be to inform the public how to effectively participate in Board meetings for the best interests of the individual, the district and the patrons. The information will be easily accessible and available to all patrons attending a public Board meeting.

1. Discussion or presentation concerning a published agenda item is limited to its designated place on the agenda, unless otherwise authorized by the Board chair.
2. A visitor speaking during the meeting may introduce a topic not on the published agenda. The Board, at its discretion, may require that a proposal, inquiry or request be submitted in writing, and reserves the right to refer the matter to the administration for action or study.
3. Any person who is invited by the Board chair to speak to the Board during a meeting, should state his/her name and address and, if speaking for an organization, the name and identity of the organization. A spokesperson should be designated to represent a group with a common purpose.
4. Statements by members of the public should be brief and concise. The Board chair may use discretion to establish a time limit on discussion or oral presentation by visitors.

5. Questions asked by the public, when possible, will be answered immediately by the Board chair or referred to the superintendent for reply. Questions requiring investigation may, at the discretion of the Board chair, be referred to the superintendent for response at a later time.
6. At the discretion of the Board chair, anyone wishing to speak before the Board, either as an individual or as a member of a group, on any agenda item or other topic, may do so by providing the Board secretary with a completed registration card or sign-in sheet, prior to the Board meeting in order to allow the chair to provide adequate time for each agenda item.

### **Petitions**

Petitions presented may be accepted at any Board meeting. No action will be taken in response to a petition before the next regular meeting. Petitions will be referred to the superintendent for consideration and recommendation.

### **Comments Regarding Staff Members**

Speakers may offer objective criticism of school and district operations and programs. The Board will not hear comments regarding any individual district staff member. The Board chair will direct the visitor to the for Board consideration of a legitimate complaint involving a staff member. The association contract governing the employee's rights will be followed. A commendation involving a staff member should be sent to the superintendent, who will forward it to the employee, his/her supervisor and the Board.
