School Superintendent

The superintendent is the chief executive officer of the school system and has, under the direction of the Board, general supervision of all schools, personnel and departments of the school system. The superintendent is responsible for managing the schools under the Board's policies and is accountable to the Board for that management.

The superintendent may delegate to other school personnel the exercise of any powers and the discharge of any duties imposed upon the superintendent by these policies or any vote of the Board. Delegation of power or duty, however, will not relieve the superintendent of responsibility for action taken under such delegation.
