

**Milton-Freewater
School District 7**

Code: **CM**
Adopted: 11/23/93

Annual Report - State Standards

District maintenance of evidence of compliance with the state standards is hereby assigned to be a function of the superintendent of the district. The district School Board shall assist the superintendent by providing official action when it is required for compliance with the standards.

As required by OAR 581-022-1610, "By January 15 of each year" a report to the community is to be made concerning the district's status in relation to the state standards. This report will be presented at a regular Board meeting and may be published at the discretion of the Board and/or Superintendent.

A file of compliance material will be maintained in the superintendent's office. This file shall be maintained on a current basis with changes, additions and updates, developed and posted as required by State Standards.
