Grants from Private Sources

Grant proposals for external funds from private sources, including online crowd fund raising sites, will be submitted to the Board for evaluation and approval. Any equipment, materials, supplies, etc. purchased and/or donated from private sources become the property of the district.

In the event an opportunity arises to submit a grant proposal and there is insufficient time to place it before the Board, the superintendent is authorized to use his/her judgment in approving it for submission. The superintendent will review the grant proposal with the Board at its next regular meeting. The Board reserves the right to reject funds associated with any grant which has been approved.
