

**Milton-Freewater
School District 7**

Code: **EDD**
Adopted: 11/23/93

Resource Conservation

The district will make a concerted effort to conserve its resources. An act of good citizenship is the conservation of natural resources and energy. Therefore, staff and students will make resource conservation a part of the school district's physical operation and educational program.

Resource conservation in the school district will be implemented by:

1. Full utilization of materials prior to disposal;
2. Limited use of disposable materials;
3. Limited use of non-biodegradable products.

The district will cooperate to the fullest extent in the recycling efforts of community. The superintendent will direct a district-wide system for recovery of waste and separating recyclable materials.

When it is financially viable, the district will purchase recycled products.
