

Milton-Freewater School District 7

Code: **GDLA/GCLA**
Adopted: 06/13/95

Salary and Related Benefits, Salary Schedule and Special District Credit

The purpose of District credit is to encourage staff to avail themselves to professional growth opportunities provided through district sanctioned workshops.

The following guidelines for District credit will apply:

- a. Credit will be awarded for attendance at the rate of one credit (quarter system) per ten classroom hours or as designated by this district. The district will determine amount of credit prior to the workshop.
- b. To be considered for credit, workshops must be open to all faculty and must be attended outside the regular contracted work day.
- c. Compensation for individual projects, if approved, will be provided through extended contract rather than district credit.
- d. District credit may be received only once for the same course or workshop (i.e. beginning computers) even though the curricula may have changed slightly.
- e. Staff may be awarded earned credit retroactive to June 5, 1995.
