Interscholastic Athletics

The Board believes that participation in interscholastic athletics offers individual students opportunities to grow physically, intellectually and socially through their participation in team and individual sports.

The district will provide interscholastic activities for students in compliance with Title IX. Students will be encouraged to participate on the basis of their interest and physical condition. Qualified coaching and supervisory personnel will be provided for all school-sponsored athletic events.

The district shall allow homeschooled students and students attending a public charter school to participate in available interscholastic activities in compliance with state law.

The district is a member of the Oregon School Activities Association (OSAA). In all athletic matters, the Board will adhere to the policies, rules and regulations of that body and the State Board of Education.
