Early Graduation

A student may satisfy graduation requirements in less than four years. All credit requirements must be met by a specified date agreed upon by the student, parent and principal to qualify for early graduation. Requests for early graduation must be on the appropriate form and submitted to the principal. This request must be submitted to the principal at least two weeks prior to the beginning of the semester in which the student will finish. Teachers will not be expected to make special classes for this reason. The normal curriculum will be followed with the option of off campus experiences.
