Political Figures in the Schools

The Board will support the participation of major political figures in a variety of school events. Such events include, but are not limited to, building dedications, awards assemblies, commencement and curricular innovations such as a mock convention.

If such event should occur during a campaign year, the candidate would be expected to refrain from using issues or materials related to that campaign.

Political figures may be allowed to speak to classes or clubs during the school day if, in the judgment of the administration, the presentation is a desirable supplement to the instructional program. If the political figure is a candidate for office, any other candidate who has filed for the same office will, upon request, be allowed equal time.

All political figures will be expected to adhere to the rules and procedures established for outside resource persons or controversial speakers.
