

Monument School District 8

Code: BA
Adopted: 2000
Orig. Code: BA

Board Goals

The goals of the Board are to:

1. Provide an opportunity for each student to learn and achieve maximum growth possible in the school environment within the constraints placed on the district;
2. Encourage in every student a desire to learn, think clearly, gain useful general knowledge and develop more extensive abilities in areas of special interest;
3. Recognize the student's need to understand and respect himself/herself and others in order that he/she can develop into a productive and responsible member of society;
4. Promote the teaching and practicing of democratic ideals and high moral standards in the district;
5. Provide and maintain a school plant that will meet the needs of the students, the district program and the community;
6. Select and develop teaching and nonteaching personnel who consistently demonstrate a sincere interest, not only in the community, the district and the schools but most importantly in the individual student, and who exhibits respect for that responsibility;

Remain in constant and open communication with all segments of the school community, remembering that sound public relations are important to the success of any educational program.
