

# Monument School District 8

Code: GCBC  
Adopted: 8/89  
Orig. Code: GCBC

## Fringe Benefits

The Board agrees to provide, through negotiations, certain health, medical, and insurance benefits to regular employees of the District.

An insurance plan will be selected by the Board. The district's contribution to the employees' insurance premiums will be negotiated each year, as part of salary negotiations.

School employees are covered by Workmen's Compensation and any claims under this program should be reported immediately to the office.

All new employees are asked to talk to the deputy clerk regarding insurance questions.

Upon completion of the year's contract, the district will continue to pay the negotiated monthly insurance allocations for the balance of the insurance year.

END OF POLICY
