

Monument School District 8

Code: JEFA
Adopted: 8/89
Orig. Code: JEFA

Open Campus/Closed Campus

Since all students on their way to and from school on days that school is in session are under the jurisdiction of the school from the time they leave home for school or board a bus until they return to their home, it is the policy of the Monument School Board that no student will be permitted to leave school property during school hours on days that school is in session except as provided for by this policy.

High School students (grades 7-12) who have their parent's/guardian's permission to go home or off campus for lunch must obtain such permission in writing on the form adopted for such use and abide by the rules and regulations.

Grade School students (grades K-6) must also obtain written permission to go home for lunch, but will not be permitted off campus to go anywhere else except home for lunch.

The following restrictions will apply:

1. Students may not drive or be in or on automobiles, trucks, motorcycles, or other motorized vehicles during school hours.
2. Students shall not use or have in their possession alcohol, illegal drugs, or controlled substances during school hours on or off school property.
3. Students shall observe all community laws and respect the property and rights of others. This includes no littering or undesired loitering.
4. All other school rules and regulations apply as usual.
5. Failure to observe any of these rules will automatically result in the following steps:
 - a. For the first offense, a verbal warning and a written warning to the parent/guardian (or appropriate action for more serious infractions).
 - b. For the second offense, a three-day suspension (probable in-school type) and loss of all privileges for 90 days, and a hearing before the school Board for possible expulsion.

Off campus permission forms may be obtained from the office and must be returned, signed, to the office before permission to leave campus will be granted.

END OF POLICY
