## School Community Relations Goals and Objectives

The Board wishes to establish and maintain a relationship between Monument School District and the public which will bring about a mutual understanding and harmony.

The Board's objectives are:

1. To keep the public informed about their school and about developments and trends in education.
2. To provide the school with information about the community.
3. To establish and maintain the public's confidence in the school and to secure the community's support for the school.
4. To develop a recognition of the vital importance of education to the community's social and economic life.
5. To determine educational needs as the community sees them.

These objectives can be achieved directly by maintaining a two-way communications program, developed on a long-range basis, which is inclusive, flexible, and accurate.
