Advertising in District Facilities

The Board recognizes that business and cultural organizations make available for public use information which is of value in advancing student education. This information may not be available through other sources.

The facilities, the staff or the students of the district shall not be used in any manner to advertise or promote commercial, cultural, organizational or other non-school interests except that the district may:

1. Utilize films and other instructional aids furnished by private sources when the advertising content is reasonable in the judgment of the principal of the school involved.
2. Cooperate through announcements and distribution of program material with non-profit community organizations that supplement the school program when such cooperation will not interfere with the school program;
3. Permit participation on a student option basis in essay, art, science and similar contests sponsored by outside interests when such activities parallel the curriculum and contribute to the educational program;
4. Release promotional material for non-school athletic and cultural events only through appropriate school departments;
5. Accept, but not actively solicit, limited advertising on extracurricular activity schedules and programs at the discretion of the principal;
6. Permit other exceptions when, in the judgment of the superintendent, students of the district will benefit. The superintendent may, at his/her option, refer specific cases to the Board for decision.
7. Sponsor donations will be recognized with a wooden plaque displayed upon a sponsor board located in the gymnasium. Each donation will be reviewed at the end of a three year period. At that time the sponsor will be contacted and given the opportunity to make another contribution.

When a contract for advertising or other exclusive use contract is solicited for compensation, the district shall follow Board policy DJC - Bidding Requirements and, as appropriate, adopted public contracting rules prior to contract approval. Competitive includes monetary as well as in-kind contributions, i.e., scoreboards, computers, other equipment or materials of contracts.
