Adoption and Revision of Policies

Policies recommended to the Board shall not be adopted until a meeting subsequent to their introduction. The time lapse will permit further study by Board members and reaction from concerned parties. Temporary approval of a policy may be granted by the Board to meet emergency conditions or special events which would take place before a formal adoption could be enacted.

The policies may be amended by the affirmative vote of a majority of the entire Board at any meeting, provided that a copy of the proposed amendment had been sent or delivered to each member of the Board at least seven days prior to the meeting and that the proposal is included in the agenda for the meeting.
