

Morrow County School District

Code: **CD**
Adopted: 5/12/03
Orig. Code(s): 2100

Administrative Team

The Board of Directors is by law the policy-making body of the school district.

The Board employs administrators for the management of the district's schools.

A close working relationship between the Board and its administrators is essential to good management.

The Board shall utilize the advice and counsel of the administrative staff whenever advice and counsel is needed in deliberating policy.

The Board accepts the concepts of the management team as standard operating procedure in the Morrow School District.

In support of this policy the Board shall:

1. Provide a means of training Board members and administrators in management concerns;
2. Provide opportunities for informal social contacts;
3. Provide for work sessions of extended period of time so that the team can plan and work together.
