

Morrow County School District

Code: **IGDA**
Adopted: 5/12/03

Student Organizations

The district encourages curriculum-related student organizations. District staff may facilitate such organizations on a voluntary basis and district resources may be used to support them. The district may also support student organizations which are not directly curriculum-related.

The building principal will develop general guidelines for student organizations.

Voluntary student-organized clubs which are not curriculum related may meet on school premises during noninstructional time. If the content of such a club's meetings is religious in nature, school staff may attend only in a nonparticipatory manner. Staff may volunteer to attend such meetings for custodial purposes only.
