Program Emphasis

It is the intent of the Board that approved interscholastic activities be structured in accordance with the following:

1. At every level of the program, the Board's emphasis is on students' mastering the fundamentals of the activity; the values associated with participating and being a part of the program; and enjoying participating and competing;
2. Every athlete below the high school level in team sports must be allowed to participate in every contest, if he/she has met all other requirements for participation;
3. Sports seasons shall consist of a preseason practice and regular season practices and scheduled games. The number of high school sports seasons games may be extended in post season through sub district, district and state tournament play;
4. Instructional class time shall not be used for athletic team practices. Practices shall be conducted outside of school hours. Middle school/Junior high practices shall not exceed one and one-half hours daily and high school practices shall not exceed two hours daily exclusive of showering and dressing;
5. All athletes shall receive OSAA required training and physical conditioning to ensure reasonable safety and protection from injury prior to engaging in a sports contest;
6. Students in grades seven and eight shall not be scheduled for more than two interscholastic contests per week, unless make-up contests are needed. In grades 9 through 12, the regulations of the OSAA governing weekly participation shall apply.
