

Morrow County School District

Code: **KG**
Adopted: 5/12/03
Orig. Code(s): 8250

Community Use of School Buildings and Facilities

Any legal community group is urged to make use of the school buildings and facilities when the use does not conflict with the use of the building or facility for school purposes and/or school activities. Local community groups should make their request through the local school administrator. Generally speaking, a nominal fee will be charged.

Suggested lists of nonprofit groups that may use the building or facility without costs, subject to the approval of the administration include, but are not limited to, scouts, campfire, 4-H clubs, meetings of the court, PTA, state, county, national elections, youth basketball association, little league and local Blue Mt. Community College classes. Adjustments may be made to meet the needs of each local situation.

Any projector or other school equipment must be operated by trained school personnel, or a trained equipment operator approved by the local administrator.

Again, these are only suggestions or guidelines and can be adjusted to meet the local situation.
