

Morrow County School District

Code: **KGAA**
Adopted: 11/2/02
Readopted: 5/12/03
Orig. Code(s): 7252

Interscholastic Summer Facility Use

It is the intent of the district to encourage the use of school buildings and facilities for the purpose of providing school-related activities for district students year-round. Coaches and advisors who wish to engage students in these types of activities must first secure the approval of their building principal. Activities must adhere to the guidelines established under the district's Interscholastic Activities Program as outlined in Board policy IGDJ. District students who are involved in these summertime activities are subject to the district drug, alcohol and tobacco policies and district and Oregon School Activities Association (OSAA) eligibility standards. Students who were eligible during the prior school year will remain eligible during the summer months until the annually established OSAA fall first practice date.

Coaches, advisors and principals will administrate the activity programs as outlined in Board policies IGDJC - Administration of the Athletic Program, IGDJE - Interscholastic Activities - Training and IGDJG - Alcohol/Drug/Tobacco Violations - Specific Code for Cocurricular Clubs and Organization Participants, Grades 6-12.

Summer facility use and activities are subject to OSAA Rule 6, Association Year, and recruiting and contact camp guidelines.

It is fundamentally understood that coaches, advisors and administrators would not be compensated monetarily for time spent supervising, coaching or advising these summertime activities.

Commercial camps, contact camps or activities that involve students other than district students must be approved by the building principal and may be required to meet all of the conditions of the private, for-profit use of facility provisions as outlined in Board policies KG - Community Use of School Buildings and Facilities and KGF/EDC - Authorized Use of District Equipment and Materials.
