

Individual Board Member's Authority and Responsibilities

An individual public charter school board member exercises the authority and responsibility of his or her position when the public charter school board is in legal session only.

A public charter school board member has the authority to act in the name of the Board when authorized by a specific Board motion. The affirmative vote of the majority of members of the Board is required to transact any business. When authorized to act as the public charter school's designated representative in collective bargaining, a Board member may make and accept proposals in bargaining subject to subsequent approval by the Board.

A public charter school board member has the right to express personal opinions. When expressing such opinions in public, the Board member must clearly identify the opinions as his/her own.

Members will be knowledgeable of information requested through Board action, supplied by the executive director, gained through attendance at public charter school activities and through professional Board activities.

Members of the Board will adhere to the following in carrying out the responsibilities of membership:

1. Requests for Information

Any individual Board member who desires a copy of an existing written report or survey prepared by the administrative staff will make such a request to the executive director. A copy of the material may be made available to each member of the Board. Requests for the generation of reports or information which requires additional expense to the school must be submitted to the Board for consideration.

2. Requests for Legal Opinions

A request for a legal opinion by a Board member, must be approved by a majority vote of the Board before the request is made to legal counsel. If the legal opinion sought involves the executive director's employment or performance, the request should be made to the Board chair. Legal counsel is responsible to the public charter school board.

3. Action on Complaints or Requests Made to Board Members

When Board members receive complaints or requests for action from staff, students or members of the public, the Board members will direct the staff, students and members of the public to the appropriate complaint policy (Board policy KL - Public Complaints). Such information will be conveyed to the executive director.

4. Board Member's Relationship to Administration

Individual Board members will be informed about the school's educational program, may visit the school or other school facilities to gain information, and may request information from the executive director. Board members will not intervene in the administration of the school.

5. Contracts or Agreements

All contracts of the public charter school must be approved by the Board, or as delegated to the administrator, before an order can be drawn for payment. If a contract is made without authority of the Board, the individual making such contract shall be personally liable.
