

Mosier Community School

Code: **EBCB**
Adopted: 1/21/16

Emergency Drills

The administrator will conduct emergency drills in accordance with the provisions of Oregon Revised Statutes.

The public charter school is required to instruct and drill students on emergency procedures so that students can respond to emergencies without confusion and panic. The emergency procedures shall include instruction and drills on fires, earthquakes, which shall include tsunami procedures in a coastal zone and safety threats.

Instruction and drills on fires, earthquakes and safety threats for students, shall be conducted for at least 30 minutes each school month. The public charter school will conduct monthly fire drills. At least one fire drill will be held within the first 10 days of the school year. At least two drills on earthquakes and two drills on safety threats shall be conducted each year.

Fire Emergencies

Drills and instruction on fire emergencies shall include routes and methods of exiting the school building.

Earthquake Emergencies

Drills and instruction for earthquake emergencies shall include the earthquake emergency response procedure of “drop, cover and hold on” during the earthquake. When based on the evaluation of specific engineering and structural issues related to a building, the public charter school may include additional response procedures for earthquake emergencies.

Safety Threats

Drills and instruction on safety threats shall include appropriate actions to take when there is a threat to safety, such as lockdown procedures or other procedures appropriate to the safety threat.

Local units of government and state agencies associated with emergency procedures training and planning shall review the emergency procedures.
