Code: **EF**
Adopted: 10/20/16

Management of Food Services

The public charter school may provide food services for students and staff. Food services will comply with state and federal laws and regulations relating to such services.

The business manager or a public charter school designee, under the direction of the executive director, will be responsible for the management of the food service program and all other aspects of the food service program.

The executive director will report to the Board, at least annually, on the condition of the food service program and will make such other reports related to food services as the Board requests.

In keeping with health department guidelines, only food prepared commercially prepared and prepackaged or prepared in an inspected kitchen shall be made available to students by the public charter school.
