

## Student Searches\*\*

### 1. Definitions

- a. “Reasonable suspicion” is based upon specific and articulated facts to believe that the student personally poses or is in possession of some item that poses a risk of immediate and serious harm to the student, school officials and/or others at the school. The official’s knowledge may be based upon relevant past experience of the official, observation by the official and/or credible information from another person.
  - (1) “Past experience” may provide the school official with information relevant to the violation as well as information which enables the official to evaluate the credibility of information from another person.
  - (2) “Credible information from another person” may include information which the school official reasonably believes to be true provided by another school employee, a student, a law enforcement or other government official or some other person.
- b. “Reasonable in scope” means that the manner and extent of the search are reasonably related to the objectives of the search, the unique features of the official’s responsibilities, and limited to the particular student or students most likely to be involved in the infraction and the area(s) which could contain the item(s) sought, and not excessively intrusive in light of the student’s age, sex, maturity and the nature of the infraction.

### 2. Routine Inspection of Public Charter School Property Assigned to Students

- a. Lockers, desks and other storage areas provided by the school and assigned to a particular student(s) are the property of the public charter school, remain in the possession of the public charter school and are under the control of the executive director. Students have no expectation of privacy regarding these items/areas.
- b. Students may use public charter school-owned storage areas for the limited purpose of temporarily keeping items needed for attendance and participation in school instructional and activity programs only. No other purpose is permitted.
- c. Students shall be provided notification that public charter school-owned storage areas assigned to students are subject to routine inspection without prior notice for the following reasons:

  - (2) Ensure maintenance of proper sanitation;
  - (3) Ensure mechanical condition and safety;
  - (4) Reclaim overdue library books, texts or other instructional materials, property or equipment belonging to the public charter school.

### 3. Voluntary Consent

When a school official has the requisite justification to search either a particular public charter school-owned storage area assigned to a student or the clothing or the personal property of a student, the official has the option of making a search or asking the student to voluntarily provide the item(s) sought. Before making a search, the official should ordinarily ask for the student's voluntary consent by requesting the student to empty the contents of the storage area, clothing or personal property. If the student refuses consent for his/her personal property, the official may elect to contact the student's parents to obtain consent for the search of personal property.

### 4. Search Procedures

- a. With the requisite justification, a school official may search an individual student, a public charter school-owned storage area assigned to a student or the personal property of a student. Personal property of a student includes, but is not limited to, wallets, purses, lunch boxes/sacks, book bag, backpack or other containers used to carry belongings.
- b. All searches of a student or a student's personal property shall be based on the required reasonable suspicion/risk of immediate and serious harm and shall be reasonable in scope. A "strip search," requiring a student to remove clothing down to the student's underwear or including underwear is prohibited by the public charter school.
- c. Searches will generally be conducted by an executive director or by other school personnel only as authorized by the executive director. In certain circumstances an administrator may be assisted by a law enforcement official(s).
- d. The student will generally be permitted to be present during a search of a public charter school-owned storage area assigned to the student or during a search of the student's personal property. The student's presence is not required, however.
- e. Search of a student's clothing will be limited to the student's "outer clothing" only. "Outer clothing" means the student's coat, jacket or other such outerwear garments worn by a student. A search of the clothing may include the search of a container inside the clothing, provided that the container is of a size and shape to hold the object of the search.
- f. Searches of a student's outer clothing will be conducted by a school official of the same sex as the student.
- g. Where the object of the search may be felt by a "pat down" of clothing or personal property, the school official may first pat the clothing or property in an attempt to locate the object before searching inside the clothing or property.
- h. Searches will be conducted in privacy, out of the view of other students, staff and others and in the presence of an adult witness of the same sex as the student.
- i. Any item removed from the student as a result of the above procedures which is not evidence of a violation of a law, Board policy, administrative regulation or school rule may be returned to the student, as appropriate.
