Board Work Sessions

The Board, as a decision-making body, is confronted with a continuing flow of problems, issues and needs which require action. While the Board is determined to expedite its business, it is also mindful of the importance of planning, brainstorming and thoughtful discussion without action. Therefore, the Board may schedule work sessions from time to time in order to provide its members and the administration with just such opportunities. Topics for discussion and study will be announced publicly, and work sessions will be conducted in accordance with the Public Meetings Law.
