

Myrtle Point School District 41

Code: **BFE**
Adopted: 1/9/06
Orig. Code(s): BFE

Administration in the Absence of Policy

In urgent cases where action must be taken within the district for which the Board has provided no guidelines for administrative action, the superintendent shall have the power to act.

That decision, however, shall be subject to review by action of the Board at its regular meeting. It shall be the duty of the superintendent to inform the Board promptly of such action and need for policy.

If by waiting until the next Board meeting to review a superintendent's action would create a potential hardship for a student or district employees, the superintendent may contact the Board chairman or the vice chairman to consider calling an emergency meeting to consider the matter.
