

# Myrtle Point School District 41

Code: **DBD**  
Adopted: 5/10/04  
Orig. Code(s): DBD

## Budget Priorities

The Board realizes it is impossible to meet the number of educational needs and desires with finite resources. The Board has a primary responsibility to its taxpayers to operate the district with expenditures not exceeding revenues.

The following criteria must be used by the superintendent while formulating the annual budget:

1. At all times all resources must be used to produce the most positive effect on the students' opportunity to gain a basic education in a safe environment in this district;
2. The budget must be in accord with the state of Oregon's statutory and regulatory mandates as determined by the legislature and the federal government when applicable;
3. The budget must be in harmony with the Board's contracts with employee groups.
