

Myrtle Point School District 41

Code: **EB**
Adopted: 5/10/04
Orig. Code(s): EB

Safety Program

Accidents are undesirable, unplanned occurrences which may result in tragic consequences: bodily harm, loss of school time, property damage, legal action and even fatality. It shall be the policy of the Board to require the administration to take every possible precaution to protect the safety of all students, employees, visitors and others present on district property or at school-sponsored events.

The practice of safety shall also be considered a fact of the instructional plan of the district schools by virtue of educational programs in traffic and pedestrian safety, fire prevention, emergency procedures, etc., appropriately geared to students at different grade levels.

Each principal shall be responsible for the supervision of a safety program for his/her school, and the district safety officer shall have overall responsibility for the safety program of the district. General areas of emphasis shall include, but not be limited to: in-service training; accident record keeping; plant inspection; driver and vehicle safety programs; fire prevention; school site selection; and, emergency procedures and traffic safety problems relevant to students, employees and the community.
