

Myrtle Point School District 41

Code: **GB**
Adopted: 5/10/04
Orig. Code(s): GB

General Personnel Policies

The quality of the professional and support staff is of primary importance in achieving the educational objectives of the district. In filling any licensed or classified position, therefore, the district will seek out and appoint the best qualified person available for the position.

The employment of candidates to fill licensed positions will be approved by the Board upon recommendation of the superintendent. The superintendent will employ all classified employees, substitutes and part-time personnel as needed.

Notice of all regular job openings will be made available to current staff members according to current collective bargaining agreements. Vacant positions may also be advertised through professional and institutional placement agencies, appropriate employment agencies and general and specialized media.

Applications or inquiries concerning job openings will be received by the district office. The selection process will be coordinated and supervised by the superintendent, with the involvement of other appropriate administrators and supervisors.

Each candidate selected for a position with the district must possess or demonstrate eligibility for any license or permit required to fill the position.

In accordance with Oregon law, the district may require any candidate, as a condition of employment, to hold a current, recognized first-aid card. A current employee required to hold a card will obtain it within 90 days from the date on which the district gives notification.

Personnel selected for employment will be notified in writing of their selection following Board approval. This notification will specify the assignment, the job classification, the salary or hourly rate, the length of the workweek, and the length of the assignment. Unsuccessful applicants will be notified.

Initial assignments will be made by the superintendent or designee.

The superintendent will establish regulations governing the recruitment, selection and employment of personnel in accordance with this policy. All personnel in the district will be evaluated in writing.
