Student Absences and Excuses **

It is the responsibility of students to maintain regular attendance in all assigned classes. A principal or designee may excuse an absence if the absence is caused by one of the following:

1. Illness of a student;
2. Illness of an immediate family member when the student's presence at home is necessary;
3. Emergency situations that require the student's absence;
4. Field trips and school-approved activities;
5. Medical (dental) appointments. Confirmations of appointments may be required;
6. Pre-arranged leave of absence made in advance.

Each school shall notify parents/guardians by the end of the school day if their child has an unplanned absence. The notification will be either in person, by telephone or another method identified in writing by the parent/guardian. If the parent/guardian cannot be notified by the above methods, a message shall be left, if possible.

Additionally, the superintendent will develop procedures whereby those students who are considered truant may be subject to the following penalties: detention, suspension, expulsion and/or ineligibility to participate in athletics or other activities.
