

Myrtle Point School District 41

Code: JN
Adopted: 6/22/87
Readopted: 6/14/04
Orig. Code(s): JN

Student Fees, Fines and Charges**

The Board recognizes the need for student fees to fund certain school activities which are not funded by local, state or federal funds. It also recognizes that some students may not be able to pay these fees. No student will be denied an education because of his/her inability to pay these supplementary charges; however, no student is exempt from charges or for lost or damaged books, locks, materials, supplies and equipment.

All student fees and charges, both optional and required, will be listed and described annually in the student handbook or in some other written form and distributed to each student. Notice will advise students of the due dates for such fees and charges as well as of possible penalties for failure to pay them.

In accordance with the law and with Board policy, the district shall withhold the grade reports, diploma and records of any student or former student who owes \$50 or more. Such records may also be withheld for any student or former student who owes less than \$50. Documents withheld will be released upon payment of the debt.

Prior to collection of debts, the superintendent will ensure that notice has been provided as required by ORS 339.260 and 339.270.

To limit vandalism to school property, the district will maintain an alarm system at Myrtle Crest School and Myrtle Point High School during times the buildings are closed to the public. It will be the responsibility of the building principal to monitor the alarm system.
