District Goals

The district shall maintain a coordinated, valid and reliable K-12 program that is data-driven and designed to improve student achievement. The program shall support students' academic growth beyond proficiency in the knowledge and skills of the student's current grade level, shall encourage their attainment of individual goals, and shall successfully prepare them to function effectively for the futures they choose in a rapidly changing world.

The district will work with staff, parents and community members through 21st Century Schools Councils, local school committees and advisory committees to develop district goals that support the physical and cognitive growth and development of students. Goals will be adopted by the Board consistent with the goals adopted by the State Board of Education. Goals will be reviewed annually and revised as needed. Goals will utilize valid and reliable data for evaluating the success of curriculum, instruction, resource allocation and school improvement.
