Except as explained below, you have a right under the FMLA and/or OFLA for up to 12 workweeks of unpaid leave in a 12-month period for the reasons listed above.¹ The district will use a “rolling” 12-month period measured backward from the date the employee uses any family medical leave. FMLA leave and OFLA leave generally run concurrently. In order to care for an injured service member, you are entitled to up to 26 weeks of leave in a single 12-month period to care for a qualifying service member.

Also, your health benefits under FMLA must be maintained during any period of unpaid leave under the same conditions as if you continued to work. You must be reinstated to the same or in some cases, under state or federal law, to an equivalent job with the same pay, benefits and terms and conditions of employment on your return from leave. The district is not required to maintain benefits during OFLA unless provided otherwise by Board policy or collective bargaining agreement; however, all such benefits will be restored in full upon your return to the district.

If you do not return to work following FMLA and/or OFLA leave for a reason other than: (1) the continuation, recurrence or onset of a serious health condition which would entitle you to FMLA and/or OFLA; or (2) other circumstances beyond your control, you may be required to reimburse the district for health insurance premiums paid on your behalf during your FMLA/OFLA leave.
