Suspension**

The Board authorizes student suspension for one or more of the following reasons:

1. Violation of school regulations;
2. Conduct which materially and substantially disrupts the rights of others to an education, or the educational environment;
3. Conduct which endangers the student, other students, or staff members;
4. Conduct which endangers district property.
5. Failure to obey a directive or instruction given by a district employee.

Conduct need not occur on district property and/or during school hours in order to form the basis for a suspension or other disciplinary action.

Each suspension will include a statement of the reasons for suspension, the length of the suspension and a plan for readmission. No suspension shall extend beyond 10 school days. The district may require a student to attend school during non-school hours as an alternative to suspension. Every reasonable and prompt effort must be made to notify the parents of suspended students.

Students who are suspended may not attend after-school activities and athletic events on or off district property, be present on district property, or participate in activities directed or sponsored by the district on or off district property.
