## Public Gifts to the District

All gifts to the schools will become the property of the district.

The superintendent is authorized to accept gifts to the district, and others whom he/she may designate will be authorized to accept gifts for particular schools on behalf of the Board. Donors are encouraged to contract the school or district for identified needs. The donor will be officially thanked in the Board's name, and all major gifts will be reported to the Board and publicly announced.

Contributions of property or services that may involve major costs for installation or maintenance, or initial or continuing financial commitments from district funds, will be presented by the superintendent for Board consideration and approval.

The Board welcomes gifts of books and other materials that meet the same standards of selection as those applied to the purchase of library materials.

It is the intent of the Board to use gifts for the purpose for which they were donated.
